

# SIMPLY THE BEST SOLUTION FOR ASSET CONTROL AND VALUE

## The Consignment Advantage

The Automation Recovery Asset Recovery Consignment Program is significantly better than traditional methods of managing excess and unused assets. Our program offers clients a greater return on investment through efficient and aggressive marketing.

- ✔ Secure your assets off site.
- ✔ Efficiently market your material to millions of online customers.
- ✔ Skip the hassle of listing, boxing or shipping your sold items.
- ✔ Best possible return for your assets with our trained sales team.
- ✔ Increase valuable free space at your facilities.
- ✔ You maintain control and ownership of your inventory.
- ✔ Option to set your own pricing.

## Resources You Need

A comprehensive workforce and facility is provided to complete every program process from start to finish.

- ✔ Product inventory control, imaging and identification.
- ✔ Data processing.
- ✔ Direct marketing and sales.
- ✔ E-Commerce And Internet Marketing
- ✔ Get up to date reports of your asset inventory and sales.
- ✔ Secured transactions.
- ✔ Secure warehousing.

## Marketing Success

Direct advertising resources dedicated to your success.

- ✔ Many sales outlets to help sell your inventory faster.
- ✔ Advanced IT solutions to market assets.
- ✔ Sales and web analytics.
- ✔ Emergency Support Available 24/7.

## Designed For Your Business

The Asset Recovery Program is designed for businesses who want to maximize their return on investment for unused or excess assets.

## Consignment Is Simple

This program provides you with all of the necessary resources to recover your assets value. Automation Recovery will provide you with the tools and support you need to get the most value from your assets. Simply consign your excess resources to the program and we take care of the rest.

## Cost Savings Program

By joining our program, your company will be gaining a new and efficient cost savings program designed to help you save time and money. We store your excess inventory in our secure location allowing you to put valuable space back to work. Because each item is added to our advanced inventory tracking system, we eliminate the need for costly inventory audits and storage.
